These comparisons provide an overview of certain terms and conditions of the health and welfare benefits and are for information purposes only. Benefits and eligibility for coverage are determined under the specific provisions of the official plan documents and any underlying insurance contracts. If there is any discrepancy or conflict between these highlights and the terms of the official plan documents and any underlying insurance contracts, as applicable, the official plan documents and insurance contracts, as applicable, will control. ConocoPhillips reserves the right to amend, change or terminate the health and welfare benefit plans, any underlying insurance contracts or any other programs, at any time and without notice, at its sole discretion, according to the terms of the applicable plans, programs or any underlying insurance contracts.

¹ The Out-of-area benefit is available only to those without access to at least two network providers within a 10-mile radius of their home ZIP code.
² Non-network charges are reimbursed similar to network charges in the geographic area. Your dentist may bill you for the difference between the approved network charge and the billed amount.
