

U.S. Matching Gift Program Guidelines

The ConocoPhillips Matching Gift Program encourages eligible employees and board members to become personally involved in the well-being of the communities in which they live and work by contributing to qualifying charitable organizations of their choice. The program advances substantial community investments through a collaboration among employees and the company with dollar-for-dollar cash matches to qualified organizations.

Online Matching Gift Program

Active employees and board members must submit matching gift applications online through the Matching Gifts Program Portal. You can access this portal at www.cybergrants.com/conocophillips/donor. Your employee or director ID number is required to access the online system outside the ConocoPhillips firewall.

Matching Gift Program Guidelines

It is the donor's responsibility to review the guidelines prior to applying for a grant. Becoming familiar with the guidelines will ensure gift eligibility and that the primary purpose of this program is achieved.

These guidelines are subject to change at any time without prior notification.

ConocoPhillips reserves the right to decline requests to organizations that might represent a conflict of interest with ConocoPhillips' business interests or its reputation or relationship with others.

- U.S. local and state government owned and operated entities such as public schools, publicly owned and operated museums, public libraries and zoos.

- Accredited educational institutions that are exempt from federal taxes under Section 501(c)(3) of the Internal Revenue Code.

What are the Company's matching rates and donation qualifications?

- Employees and active board members gifts are matched \$1 for \$1 to an annual maximum match of \$10,000.
Note: If an individual's gift(s) exceeds the annual maximum match amount, gifts will be matched up to the annual maximum match amount in date-of-gift order in the calendar quarter in which the match is paid.
- Each gift made must be made with personal funds of at least \$50 in the form of cash, personal check from the eligible donor's personal or joint account, credit card, or in the form of marketable securities. Securities will be valued at the average price (between the high and low quotations) on the date the gift was made.

Are there any contributions that are ineligible for matching?

We do not match any gifts:

- That result in a personal benefit or privilege to the donor, the donor's family or anyone designated by the donor, such as admission tickets, entry fees, subscriptions and membership fees.
- To organizations that do not comply with USA Patriot Act.
- Made or pledged to the United Way through a company United Way campaign. These gifts are matched as part of the campaign and fall outside of the U.S. Matching Gift program.
- To churches, mosques, synagogues or other faith-based houses of worship except accredited educational institutions meeting the criteria described above.
- To organizations having a sectarian religious cause as their primary purpose or that do not serve the community at large.
- To private or family foundations, personal trusts or political or fraternal organizations.
- To donor-advised funds unless solely funded by the eligible employee or board member. Matching funds may not be used for administrative, management or other fund-related fees and expenses.
- Deferred gifts, such as charitable remainder trusts or annuity trusts or gifts of real estate, personal property, or in-kind contributions.
- Made from business accounts, a spouse's or domestic partner's individual account, or a separate foundation.
- In addition, gifts to athletic organizations such as funds, foundations, scholarships or booster clubs and including school or college-related sports teams and facilities are ineligible in some cases but not others.
 - **Gifts may be matched** when they support activities that are accessible to or impact a broad club or team membership or the community at large, **but not** if the benefit accrues solely to the donor or members of the donor's family. Such benefits would be deemed taxable by the IRS and not eligible for charitable status.
 - **We are not able to match** donor payments used:
 - To purchase tickets to athletic games or event performances,
 - For school or athletic uniforms for family members,
 - For scholarships given in the donor's and/or donor family member's name, or

- Other athletic organization activities that directly benefit solely the donor and/or donor's family member(s).

Are there additional limitations on matching?

Our program is subject to these additional restrictions:

- We match pledges after they are paid by the employee. Future pledges are not matched through the program. Payment of pledge must meet our program criteria. If an organization's program changes and is no longer eligible under the Matching Gift Program criteria, payment will not be made.
- Donations must be individual contributions provided by one participant and not a collection of pooled donations from other parties. Multiple gifts submitted on one application are not eligible for matching.
- A single contribution will only be matched by ConocoPhillips once. A ConocoPhillips employee and their ConocoPhillips employee spouse or domestic partner cannot request two matching gifts for the same donation.
- We do not provide funding to any organization that:
 - Discriminates based on color, religion, sex, sexual orientation, national origin, age, disability, veteran status, gender identity or expression, genetic information or any other legally protected status,
 - Advances political causes, candidates, events, legislative lobbying or advocacy,
 - Promotes violent subject matters, or
 - To polarizing organizations with the potential for negative visibility.
- Intermediary organizations, including donor-advised funds, and the ultimate recipient of such funds' matching gift donation, are treated as separate organizations. As such, both the intermediary organization, and the ultimate beneficiary of such fund's charitable distribution, must meet the eligibility requirements outlined above.

Is there an employee deadline for matching gifts?
