Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: \$1,500 Individual \$4,500 Family Includes medical and prescription drug costs. Does not apply to preventive care in-network.	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family deductible must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes, preventive care- routine physical exams	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits.
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Yes. In-Network: \$5,000 Individual \$10,000 Family Includes medical and prescription drug costs.	The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, <u>balance-billed</u> charges, penalties for failure to obtain <u>pre-authorization</u> for services, health care this <u>plan</u> doesn't cover, and charges in excess of reasonable and customary amounts as defined in the <u>plan</u> document.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a <u>network provider</u> ?	Yes. For a list of in-network providers, see www.bcbstx.com or call 1-800-343-4709	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> . You will pay the most if you use an <u>out-of-network</u>

		<u>provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.
